RE: Town of Cullen debit cards

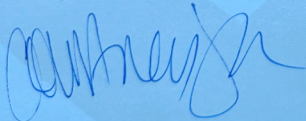

To Whom It May Concern,

When a business or organization elects to have debit cards issued on its deposit accounts, the authorized signer(s) acknowledges and agrees to full responsibility for all transactions conducted using those cards. Debit cards are to be used strictly for legitimate business purposes of the organization.

Any unauthorized use, misuse, or improper transactions conducted with the debit card will be the responsibility of the cardholder and/or authorized signer. The organization and its authorized representatives are accountable for ensuring the appropriate use of funds associated with the card.

If there are any questions regarding this, please contact Courtney Hash at 318-539-5656.
